1. Proposed Salary Schedule for 2021-2022 Presented by Jamie Stacks
 - a. Discussion: Salaries come from ECRP Money which required salaries to be raised to \$36,000 over 4 years. Next year 21-22 would be our 3rd year. Our plan was to raise \$1100 for 21-22 and \$1100 for 22-23 to meet the guidelines.
 - b. "The Legislature and Governor created the Equalization Fund to help districts sustain raised salaries to get closer to the median teacher salary of approximately \$51,822."
 - i. Wonderview cannot access these funds until the 22-23 school year
 - ii. Enrollment at Wonderview is down.
 - c. The proposal (Attachment #1) is to raise the base salary of all certified teachers on the salary schedule by \$2200 for the 21-22 school year which will take care of the \$36,000 minimum requirement before the 22-23 school year (\$2200 next year instead of \$1100 next year and \$1100 the year after)
 - d. Motions Made:

Motion to accept the proposed salary schedule on behalf of the faculty and allow Mrs. Stacks to present it to the board.

 - i. **Made by Dorrie McCosh** **2nd by Kendall Tabor**
All in favor
2. Discussion about the money per student the governor mention for each school district. Right now the per student funding increase is to be \$185 per student based on the 3rd quarter for ADM 21. This would help but our enrollment is down.
 - a. No motions needed just a discussion.

Old Business: NONE

Next Scheduled Meeting: as needed it will be called.

End of meeting at 11:36 AM
